McPherson Wines was established in 1968. Andrew and his wife, Nicki, live in the beautiful hills of the Strathbogie Ranges overlooking the vines that grow the grapes that make MWC's beautiful, elegant wines. They oversee the day to day operations of their Central Victorian Winery and world class bottling facility. *'I love the wines that Jo is making and consider her to be one of Australia's best winemakers. She has an amazing ability to make wonderful wines at every level, and continues to amaze us with her incredible wines.'* – Andrew McPherson

Vintage 2017 is best described as a waiting game. The season was very long with fruit slow to ripen and although the urge just to pick it all was there, MWC had to bide their time until they had optimal flavours and ripeness. Once the decision was made to pick, the grapes came in at an orderly pace, although increased yields due to the rain in spring made the juggling game in the winery even more challenging, with tank space at a premium. Jo and team made it through the marathon 2017 vintage and are thrilled with the exceptional quality including a number of really extraordinary parcels.

Sourced from premium grape growing regions in Victoria, this wine shows a slightly blush colour due to the juice having extended contact with the grape skins. This has produced a complex, textural and slightly savoury Pinot Gris with aromatic nuances of pears, lychees and exotic spice. Hints of spicy pear and red apple appear on the palate.
